**\*Why is so much detail needed?** We have found over the years that we need it. We want your phone # to call you if you don't show up, and in case of last minute emergency changes to plans. We want everybody's email to effectively share information as needed (we won't fill up your inbox, we promise!) We want your mailing address in case we want to send you a receipt, evaluation, etc. Having all of your information in one place helps us stay organized & efficient!

**Are there other ways you want to be involved?** (Submit recipes to the website? Help out at the farm occasionally? Host a member potluck? Teach other members how to pickle or can? Something else?) \_\_\_\_\_

**Do you can, freeze, etc. to preserve the harvest?** \_\_\_\_\_

**What's your favorite herb or vegetable?** \_\_\_\_\_

**What's your least favorite herb or vegetable?** \_\_\_\_\_

**PLEASE READ AND SIGN:** I understand that joining the Reimann Family Farm CSA involves sharing both the abundance and the risk of the harvest. I trust that my farmers will do their best to adequately fill my box each week with freshly picked produce, but I know that weather and pests are unpredictable and there are no guaranteed minimums of any specific crop. (Often if one crop is struggling, another is thriving, so we don't expect you'll go hungry.) I also understand that I am responsible for picking up my box each week in a timely matter, and that I need to be pro-active about making other arrangements if necessary. If I am sharing a box, I agree to make a pick-up plan with my box partners.
